

THE EVENING WORLD'S KIDDIE KLUB COUNTRY CAMP

Sand Pies are as popular as Ice Cream Cones.

FEATURES OF THE EVENING WORLD KIDDIE KLUB COUNTRY FUND CAMP.

At Riverside Island,
Off Foot of East 132d Street,
Bronx.

(Operating in conjunction with
the Department of Health
of New York.)

It is the only whooping cough
charity in the world.

The Kiddie Klub Country Fund
is a 100 per cent. charity. Every
cent donated goes toward the
care, keep and entertainment of
the children.

Through the generosity of Bor-
den's Farm Products Company,
Model Dairy Company, Clover
Farms, Inc., Beakes Dairy Com-
pany and Levy Dairy Company,
we are able to provide a quart of
Grade A milk a day to each child
in our care. So far as we can as-
certain we are the only free va-
cation health organization in the
world who does this.

We invite the children for the
full period of recuperation, which
is usually six weeks. If they need
a longer time in which to recover,
they are welcome to remain.

Sponsors for the Kiddie Klub
Country Fund are: Miss Lillian
Wald and Mrs. Mary Simkovich,
two of the most prominent social
workers in New York; Mrs. Mary
E. Boretz, Head Worker, Home
Bureau of the Hebrew Sheltering
Guardian Society; Health Com-
missioner Copeland and Acting
Health Commissioner Monahan
of New York; Eleanor Schorer,
Evening World Kiddie Klub.

Playtime comes three times a day at The
KIDDIE KLUB KAMP, after school, after noon, and
between supper and bedtime. Then always
there is a great rush for the sand pile, when
the kiddies play, each with his own pail and shovel.

A Corner of the play-
ground makes an
outdoor schoolroom.

When Playtime comes, the children enjoy it as they please, at sand pies,
on the swings, or with tops, pinwheels or games.
